MM Docket No. 95-111

In the Matter of

Amendment of Section 73.202(b), RM-8652  
Table of Allotments,  
FM Broadcast Stations,  
(Athens, Illinois)

### NOTICE OF PROPOSED RULE MAKING

Adopted: July 5, 1995;

Released: July 26, 1995

By the Chief, Allocations Branch

Comment Date: September 18, 1995

Reply Comment Date: October 3, 1995

1. The Commission has before it a petition for rule making filed by WMSI, Inc. ("petitioner"), proposing the allotment of Channel 241A to Athens, Illinois, as that community's first local transmission service. Petitioner states its intention to apply for the channel, if allotted.

2. We believe the public interest would be served by proposing the allotment of Channel 241A to Athens, Illinois, since it could provide that community with its first local transmission service. An engineering analysis has determined that Channel 241A can be allotted to Athens in compliance with the Commission's minimum distance separation requirements with a site restriction of 7.4 kilometers (4.6 miles) southwest,<sup>1</sup> in order to avoid a short spacing to the licensed site of Station WHOW(FM), Channel 240A, Clinton, Illinois, and Station KMXG(FM), Channel 241C1, Clinton, Iowa.

3. The Commission believes it would be in the public interest to seek comments on the proposal to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the following community:

	Channel No.	
City	Present	Proposed
Athens, Illinois	--	241A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before **September 18, 1995**, and reply comments on or before **October 3, 1995**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Larry Williams

2901 S. Holmes  
Springfield, IL 62704  
(Petitioner)

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Nancy J. Walls, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
